SCHOOL UNIFORM POLICY

SCHOOL UNIFORM POLICY

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of our uniform policy.

Guidelines:

- Correct uniform must be worn at all times by students, unless especially advised.
- A note must be brought from home outlining the reason for being out of uniform and given to the class teacher.
- Teachers to follow up with a note to parent/caregiver if students repeatedly out of uniform.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for the school e
